### OBTAINING EARNINGS INFORMATION

#### § 404.810 How to obtain a statement of earnings and a benefit estimate statement.

(a) *Right to a statement of earnings and a benefit estimate.* You or your legal representative or, after your death, your survivor or the legal representative of your estate may obtain a statement of your earnings as shown on our records at the time of the request. If you have a social security number and have wages or net earnings from self-employment, you may also request and receive an earnings statement that will include an estimate of the monthly old-age, disability, dependents', and survivors' insurance benefits potentially payable on your earnings record, together with a description of the benefits payable under the medicare program. You may request these statements by writing, calling, or visiting a social security office.

(b) *Contents of request.* When you request a statement of your earnings, we will ask you to complete a prescribed form, giving us your name, social security number, date of birth, and sex. You, your authorized representative or, after your death, your survivor or the legal representative of your estate will be asked to sign and date the form. If you are requesting an estimate of the monthly benefits potentially payable on your earnings record, we will also ask you to give us the amount of your earnings for the last year, an estimate of your earnings for the current year, an estimate of your earnings for future years before your planned retirement, and the age at which you plan to retire, so that we can give you a more realistic estimate of the benefits that may be payable on your record. A request for a statement of earnings and a benefit estimate not made on the prescribed form will be accepted if the re-

quest is in writing, is signed and dated by the appropriate individual noted above, and contains all the information that is requested on the prescribed form.

#### § 404.811 The statement of earnings and benefit estimates you requested.

(a) *General.* After receiving a request for a statement of earnings and the information we need to comply with the request, we will provide you or your authorized representative a statement of the earnings we have credited to your record at the time of your request. With the statement of earnings, we will include estimates of the benefits potentially payable on your record, unless you do not have the required credits (quarters of coverage) for any kind of benefit(s). (However, see paragraph (b)(3) of this section regarding the possibility of our estimating up to eight additional credits on your record.) If we do not provide a statement of earnings and an estimate of all the benefits potentially payable, or any other information you requested, we will explain why.

(b) *Contents of statement of earnings and benefit estimates.* The statement of your earnings and benefit estimates will contain the following information:

(1) Your social security taxed earnings as shown by our records as of the date of your request;

(2) An estimate of the social security and medicare hospital insurance taxes paid on your earnings (although we do not maintain such tax information);

(3) The number of credits, i.e., quarters of coverage, not exceeding 40, you have for both social security and medicare hospital insurance purposes, and the number you need to be eligible for social security and also for medicare hospital insurance coverage. If you do not already have the required credits (quarters of coverage) to be eligible to receive social security benefits and medicare hospital insurance coverage, we may include up to eight additional estimated credits (four per year) based on the earnings you told us you had for last year and this year that we have not yet entered on your record;
